

NEW SCHOOL YEAR

1. We pray for the world we live in. For peace and unity amongst all peoples.
Lord in your mercy...

2. We are very lucky to be able to come to school every day.
We are thankful that we have so many interesting ways to learn new things.
We also know that there are some children who don't have the things that we have.
We pray that we will always remember how lucky we are,
and that we will always give thanks to you.
Lord in your mercy...

3. We pray for those children who are not as fortunate as we are.
We ask you loving God to watch over and protect children who are poorly, lonely,
without parents.
We pray for those children who live in war zones and those who have too little food
and drink.
Watch over them Lord and give them comfort and strength.

4. We pray for those pupils who have just left our school. We ask you God to be with
them as they continue their Christian journey in new schools.
Lord in your mercy.

5. We pray for ourselves at the beginning of our new school year. That the love of
God will always be at the centre of whatever we do.
Lord in your mercy...

6. We ask Mary the Mother of God and our Mother too,
to join in our prayers as we say
Hail Mary...

7. Let's now spend a moment of silence,
talking to God who always listens and hears our prayers.
