

PRAYER BAG for ADVENT

This is yours for one night only!
Use it to pray as a family as spiritual preparation for Christmas.
Your child will be very good at organising a little liturgy!

- Create a small altar using the cloth and other Items.
- If possible, light a candle. The flame is a symbol of Christ as light of the world.
- Play some quiet reflective music to help create prayerful atmosphere.
 - Make the sign of the cross together.
 - Spend a short while in silence talking to God and sharing your thoughts with Him.
- Talk about anyone or anything you would like to say a special prayer for.
- Make up a prayer. It doesn't have to be fancy language (God listens to everything we say, however it comes out!!)
 - Say a prayer everyone knows like the Hail Mary,
 - Make the sign of the cross

Most importantly, do what feels comfortable!

Please return the bag to school tomorrow together with all the contents, ready for the next family.
